the 1956 Millidek

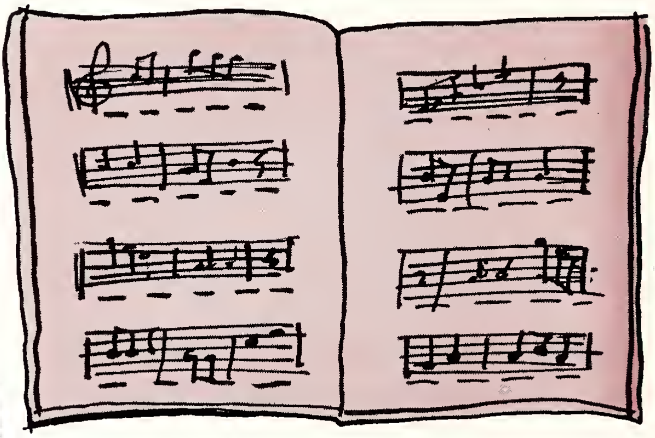
We, the editors, business managers, and staff hope that this, your Millidek of '56, will always be a source of pleasure to you. May it help to bring back happy memories of all the friendships, worship, work, and fun throughout the year "in the Shadow of the Tower."

In the Shadow of the Tower . . .

We acquired the new look, but our traditions remain unchanged.



Words of Wisdom
The fall term began

"In the shadow of the tower
Of our dear old Millikin,
We will hail our Alma Mater
We love through thick and thin.
We hold high the lamp of learning,
Our loyalty declare;
For we love the sacred honor
Of Millikin so fair.
For we love the blue and white
And her colors proudly wear.
We revere the old traditions
Of Millikin so fair—
Of Millikin, of Millikin,
Of Millikin so fair."

Yes, work and play go hand in hand on our campus. We've all had many good times together, but even with all the extracurricular activities we've taken part in, we've never forgotten why we came to Millikin—for an education. We can all be thankful for the well-rounded education Millikin offers to us, not only in books and classes, but in the opportunity to live and work and play with our fellow students. The weekly trips to Westminster Church for Chapel brought the Millikin Family together, and the day of tree planting was a big success. We all enjoyed getting together on our campus every chance we had, for taking part in campus affairs makes living "in the shadow of the tower" a most memorable experience.

The Influences of Association and Doing . . .

What would college life be without the many associates and friends we work with from day to day? From washing dishes at freshman camp to the passing out of diplomas in June, we all gained great dividends from our relationships with not only our fellow students, but the faculty as well. Studying in the library and taking part in the many skits and plays brought us closer together. The influences of association and doing were many and varied, but all were very worthwhile.

WIN OR LOSE, WE SUPPORT THE BIG BLUE . . .

Sporting events play a big part at Millikin, and this year we were all mighty proud of the many athletes who represented us in intercollegiate play. Our teams made a good showing for us and many thanks go to them along with our fine coaching staff.

We hate to say good-bye to Coach Jack Allen, but we know he'll always be behind the Big Blue just as we are. We'll always back out teams, for after all, what is more thrilling than watching the Big Blue in action and cheering them on to victory?

Shadows of Personalities and Mutual Interests . . .

No two persons are alike, but on our campus a variety of personalities live happily together and form a unified and genial Millikin Family. The faculty, with their good sense of humor, as shown by those taking part in the faculty auction, are always willing to help us, both academically and socially, and their assistance will never be forgotten. The many hours spent working with fellow students and chatting in lower hall, the dorms, and the SUB will be fond memories, too. One of Millikin's greatest attributes is the sense of belonging that it gives to each and every student. We're glad that we have the opportunity to meet and know all those who come beneath "the Shadow of the Tower."

the Activities

The numerous dances, skits, parties, and exchanges create the social whirl of our campus. None will forget the many good times had in the variety of activities that highlighted this past year at Millikin, activities that contributed greatly in giving us a well-rounded education "in the Shadow of the Tower."

The Whirl of the New Year

During a whirl of camping, rush parties, tests, and registration, Millikin students began their first weeks on campus. Many new freshmen wandered here and there with lost looks on their faces, while the upper classmen were busy greeting each other and catching up on the news of the summer. As weeks passed, the student body was united, not as freshmen and upper classmen, but as friends and classmates, and again assumed the name of the "Millikin Family," ready to join together in worship, study, and fun.

"Aw, come on! One more won't be too many."

Homecoming Queen

Queen Evie Borchart comes to Millikin from Des Plaines, Illinois. A senior, Evie is majoring in elementary education. Her activities are many and varied, including the following: president of Pi Beta Phi and Panhellenic Council, member of student council, and secretary of the senior class. She is also listed in **Who's Who.**

Evie was crowned queen at the football game by last year's queen, Verne Borse. She then reigned over the festivities for the remainder of the weekend.

Queen's Court

Each sorority and Independent Association are allowed to choose one candidate for homecoming queen. A committee, consisting of alumni, faculty, and students, select one of the candidates as queen on the basis of beauty, personality, and social graces. The others constitute the queen's court. This year's court included Jeanie Gallatin, junior from Vandalia, Alpha Chi Omega; Julia Raffington, junior from Decatur, Delta Delta Delta; Diane Kirk, senior from Decatur, Millikin Independent Association; and Sally Durbin, senior from Downers Grove, Zeta Tau Alpha.

The homecoming decorations represent the efforts of many hours of hard work on the part of the Millikin students. The originality and variety of themes made this year's decorations better than ever, and each one was a real winner, although a choice had to be made. The house decorations and the parade make our campus a center of interest for Decatur townspeople at homecoming time. High praise is well-deserved by all those who participated in making this part of homecoming a big success.

Homecoming show proved to be a great success

As you sat in Albert Taylor Hall, enjoying the "Millikin Minstrels of 55", did it occur to you that the presentation would have been impossible if it weren't for all those who worked backstage? It is to those people that we wish to give a vote of thanks, especially to Dr. Mickel and Mr. Burgstahler who wrote the words and music.

Students purchased tickets in lower hall for the homecoming dance. A fine crowd of alums and students enjoyed dancing to the music of Fred Dale's band—the climax of a wonderful weekend.

The Blue Tango

Town and Gown, the dramatic organization at Millikin, presented a series of experimental one-act plays collectively called "On Cobweb Twine" by Ann Barlow. "The Frizzly Hen," "Mr. Biggs" and "Blue Tango" were three adaptations of life in New Orleans, and all quite varied in interest. Students in the Play Production class designed and executed the unusual sets for this production.

Town and Gown this year presented Oscar Wilde's "The Importance of Being Earnest" in the fall, and Emlyn William's "The Corn is Green" in the spring. Both were directed by Dr. Jere Mickel. Unique sets and complementary costumes in the style of Aubrey Beardsley helped make "Earnest" quite a hit, and learning Welsh was quite a task for several of the cast in "The Corn is Green."

Dances, Parties and Exchanges

Dances, dances, and more dances! We certainly didn't want for social life on the Millikin campus this year. Each Greek organization and the Independents sponsored a winter and spring formal in addition to numerous house dances.

The Student Council sponsored several all-school dances this year. Included in these were the All-School Mixer, Homecoming Dance, Beaux-Arts Ball, Sweetheart Dance, and Spring Fever Dance. Vice President Sally Durbin and her social committee should be congratulated for a job well done.

All Greeks entertained at dinner exchanges

Organized exchanges invaded Millikin's Greek organizations this winter. Each sorority and fraternity had four dinner exchanges each semester. Besides delicious food, hilarity and entertainment were plentiful and many new friends were made.

The Spirit of Christmas Came

The Yule Season came to Millikin's campus, bringing with it festive spirit and merry-making as well as its religious meaning.

Our season was opened by the traditional presentation of the **Messiah** under the direction of Messrs. Snyder and Burgstahler. Christmas exchanges were frequent, and Christmas trees were decorated at the houses and dorms. Many organizations held winter formals and dances; others joined the Christmas spirit by giving parties for children from the welfare home. The climax was the Christmas Tea given by the Millikin Dames. After each student had his fill of cookies and tea, his thoughts turned toward home where he would soon celebrate Christmas with his family.

Ruggiero Ricci

Millikin was proud to present its Fine Arts Series for the fourth season. Student committees, faculty members, and alumni select and manage the series. Mrs. Gage is the director, and it is to her that we owe our thanks for the wonderful presentations.

All of the programs were presented in Albert Taylor Hall, but many townspeople, as well as Millikin students, enjoyed the presentations. Each program was followed by a reception given by the social groups at their respective houses.

Froelich Rainey

ZTA and DSP sponsored the reception for the Vienna Academy Chorus. This provided an excellent opportunity to meet students from a European conservatory. The students all enjoyed themselves regardless of the language barrier.

The reception for Ruggiero Ricci, one of the best violinists in America, was sponsored by AXO and AKL. Mr. Ricci is the husband of a Millikin alum, so many old times were discussed.

PBP and SAE sponsored the reception for Mata and Hari who were master-class artists in pantomime. Their supporting dancers of college age added variety and interest.

Froelich Rainey was sponsored by MIA. Students decided that digging up facts as an archeologist was much more interesting than digging them out of books.

DDD and TKE sponsored the reception for Richard Dyer-Bennett, the ballad singer. Mr. Bennett was not the "dirty jeans" type of singer we usually stereotype, but kept his audience entranced with his songs.

The leads were Arlene Steinberg and Mary Jo Kellams playing Violetta Valery, and opposite them, James Hill and John Smith playing Alfred Germont.

the Organizations

The organizations are a vital part of every campus, and here at Millikin this is especially true. Each publication, governing body, departmental club, and social group contributes to the well-being of our university. Being a part of these organizations has helped us to enrich our living and our education "in the Shadow of the Tower."

The Big Blue took the hint and beat Lake Forest! Before the winter season was over, we danced to "Fantasy in Ice," our winter formal.

Second semester started off with the Ugly Man Contest. Gene Degner, our candidate, walked off with the trophy. "The 'Tails' of the Arabian Nights" was our theme for the Variety Show—shades of old Hajji Baba! Next came the University Sing, N.I.S.A. Week, and our spring formal when our Sweetheart was chosen. The year wound up with a picnic and tearful goodbyes to the graduating seniors.

This year 1955-1956 was a great success for us, and we are greatly indebted to our advisers, Mrs. Elinor Gage and Mr. Jack Allen, who gave us so much fine help and encouragement.

When the Big Blue came onto the hardwoods at the beginning of the season, the fans were skeptical but soon became optimistic. Coach Allan took a squad and molded them into a team. Don Petty directed the plays and Roger Lotchin cleaned the backboards to finish second among small colleges for rebounding and to make the CCI first team. With these returning regulars, the Big Blue came through.

With a few games under their belt, the Big Blue traveled to Beloit for the Beloit Tourney. In their first game, leading most of the way, they faltered and lost to a strong DePauw team. The next night they bounced back, showing determination, pluck, and fire to beat the Beloit Buccaneers on their home court.

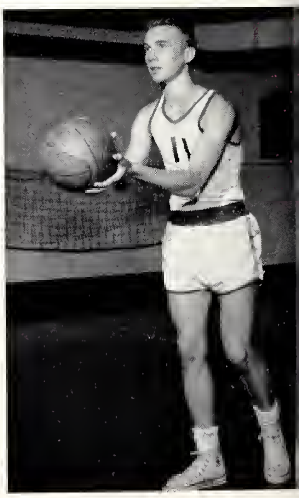
This picture introduces Coach Ralph Allan and Captain Don Petty, one the moulder, the other the leader, both needed to shape one team with the attribute of desire even when the odds were against them. Congratulations to two men that did a tremendous job. Special congratulations go to Coach Allan for being elected President of the National Association of Intercollegiate Athletic Coaches!

Dick Brucker



Playing a firehouse brand of ball with little regard to defense, Millikin finished the season with a 16-8 record and an 8-6 CCI record.

The Team Showed a Fighting Spirit

The squad—they traveled together, ate together, and played the game together. Only one man will be lost by graduation, Ron Reed. Ron came off the bench when needed and came through with flying colors. Every team needs a strong bench, and with this material Millikin can look forward to an even more successful season next year.

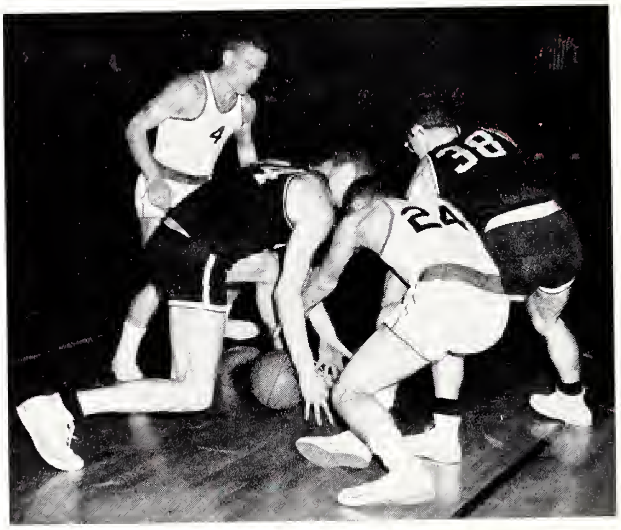
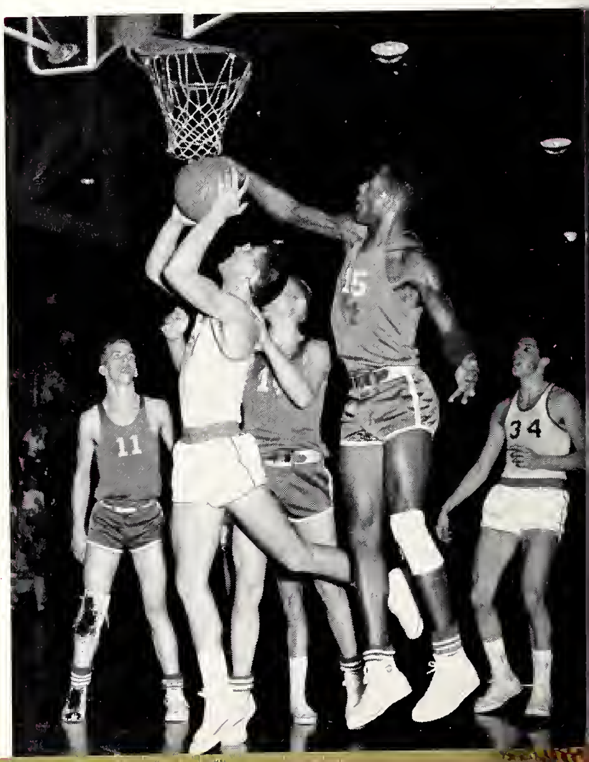
Ralph Allan Night Observed



On Tuesday, December 6, 1955, the Millikin Quarterback Club paid tribute to Ralph Allan.

Before a full house, Ralph Allan, with a slight grin, came forward to receive the plaudits of fans and former Big Blue players who have supported him and his teams throughout his nine years at the University.



CCI Record Tied

Action of the past season must include Roger Lotchin who tied both Millikin's and the CCI record of field goals in one game. Mickey Sprinkle missed tying the record by one goal.

Baseball

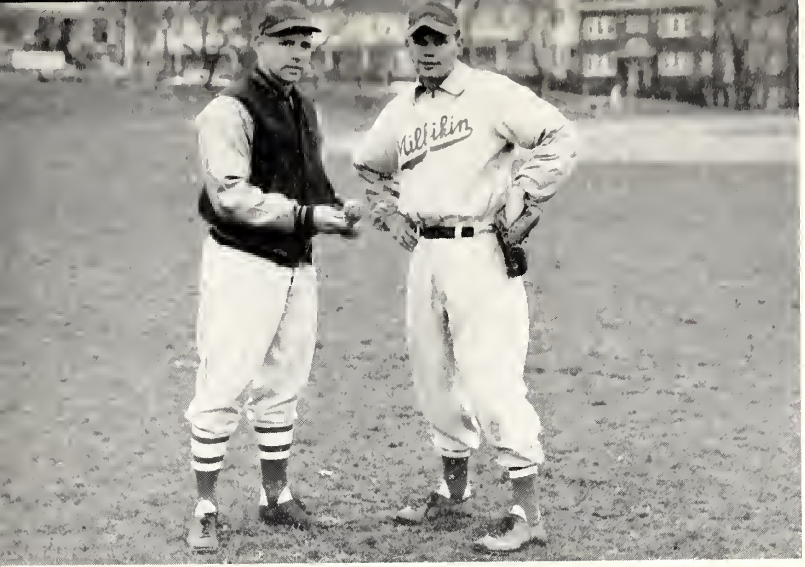
A good turn-out of lettermen and new players greeted Coach Jack Allen as the season opened and hopes were high for another championship.

Instead of the usual trip taken through the South, Millikin played colleges of the local area in the hope of getting more games and experience for the players. Playing four double-headers within a week kept the fellows hustling and quickly brought them into shape.

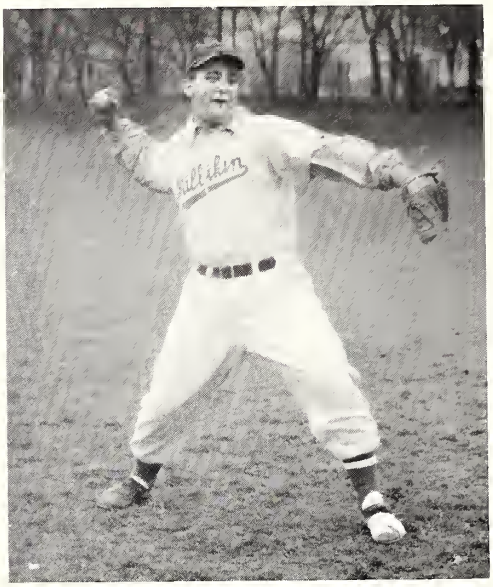
Row 1: C. Hinton, J. Brown, F. Van Doren, D. Petty, J. Hoffman, R. Spires, D. Holler.

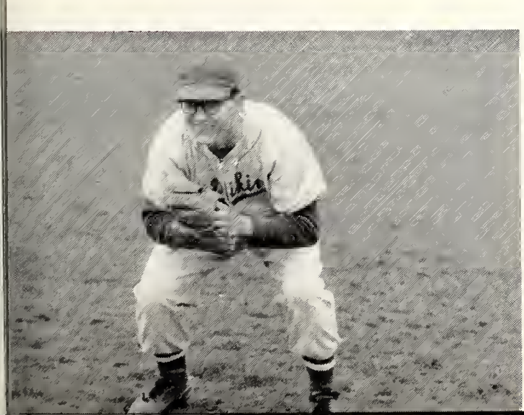
Row 2: R. James, J. Taylor, R. Hazelrigg, D. Allinson, J. Dooley, B. Hort, R. Wisher, L. Sexton.

Row 3: B. Link, D. Richardson, G. Westerhoff, D. Zank, P. Hunt, D. Harrell, J. Young, L. Haab, Coach Allen.



Coach Jack Allen and
Captain Frank Van Doren





The majority of the pitching was handled by Dennis Harrell and Clete Hinton. The receiving end of the battery was filled by Captain Frank Van Doren, his fourth year at this position. The infield consisted of Dave Richardson 1B, Don Petty 2B, Ron Wisher 3B, and Jack Hoffman SS. Outfield positions were filled by DuWayne Zank, Rick Hazelrigg, and Don Holler.

Having good pitchers and a potential power at the plate, Millikin could look forward to placing high in the CCI standings.

Top: Al Schroeder, Larry Dickerson.
Bottom: Mickey Sprinkle, Lou Coe.

Tennis

Captain John Ortberg and Larry Dickerson are the only veteran netmen to base the tennis squad. An outstanding prospect in freshman Lou Coe, plus the services of Bob Hantel and Al Schroeder round out the squad.

Home matches for the Big Blue tennis team are played at the Lincoln Park courts.

Track

The 1956 season found the cinder team short of returning lettermen, however, a rebuilding program was started and the outlook was good. Captain Dick Quisenberry headed the team again this year. Dick goes down as one of the greatest sprinters in Millikin history.

Coach Ralph Allan and Captain Dick Quisenberry combined their talents, abilities, and leadership to lead the team through another successful season.

Good balance in all departments is necessary for a track squad to be successful. Millikin has this power in the discus, shot-put, and javelin from Stobel, Jolley, Slater and Reid. The men running dashes are Warford, Craig and Quisenberry, while the long distance men are Koger and Reid. The slat jumpers, better known as the hurdlers, are Glass, Vogt, Strobel; Lambert, Dechert, and Kane take care of the pole vault and jumps.

Ed Leach, Rod Jansen, Larry Armstrong, Bill Hawkins, Don Lidbury

Golf

Golf at Millikin is again quite good with lettermen Eddie Leach, Alan Myers, and Bill Hawkins returning to the squad. The addition of Harmon Mitchell, Pat Panici, Rod Jansen, Rich Helm, and Don Lidbury complete the team.

Home matches for Millikin are played at Scovill Country Club golf course, an 18 hole course located west of Decatur.

Al Myers, captain, Pat Panici, Rich Helm, Harmon Mitchell

INTRAMURAL PING PONG

Men's Intramurals

The purpose of intramurals is to provide a sports program which university men can enjoy and participate in. The sports included in this program are touch football, basketball, volleyball, softball, table tennis, and a track meet. Coach Ralph Allan is faculty sponsor for this program.

INTRAMURAL BASEBALL

INTRAMURAL BASKETBALL

INTRAMURAL MANAGERS

INTRAMURAL TROPHY

There are two leagues, one for the actives and one for the pledges. Each group is awarded points for each sport in accordance with its standing in the league. At the end of the year the points are totaled and a traveling trophy is awarded to the group having the most points.

INTRAMURAL VOLLEYBALL

INTRAMURAL TRACK

Sallie Partridge and Sally Durbin

W.A.A. GIRLS

Each year the W.A.A. officers and intramural managers elect a senior girl as "W.A.A. Girl." Due to a tie, both Sally Durbin and Sallie Sweet Partridge were chosen. Both girls have held offices in W.A.A. and received their sweaters this year.

Women's Athletic Association . . .

The purpose of W.A.A. is to interest students in women's athletics, both as sports and as aids to physical efficiency. It is open to all University women.

Included in the W.A.A. program were speedball, bowling, deck tennis, basketball, volleyball, and badminton. Since the intramural program is the primary activity, each organization is enabled to compete for a traveling trophy presented in the spring. Individual honors for participation are also given at this time.

INTRAMURAL MANAGERS

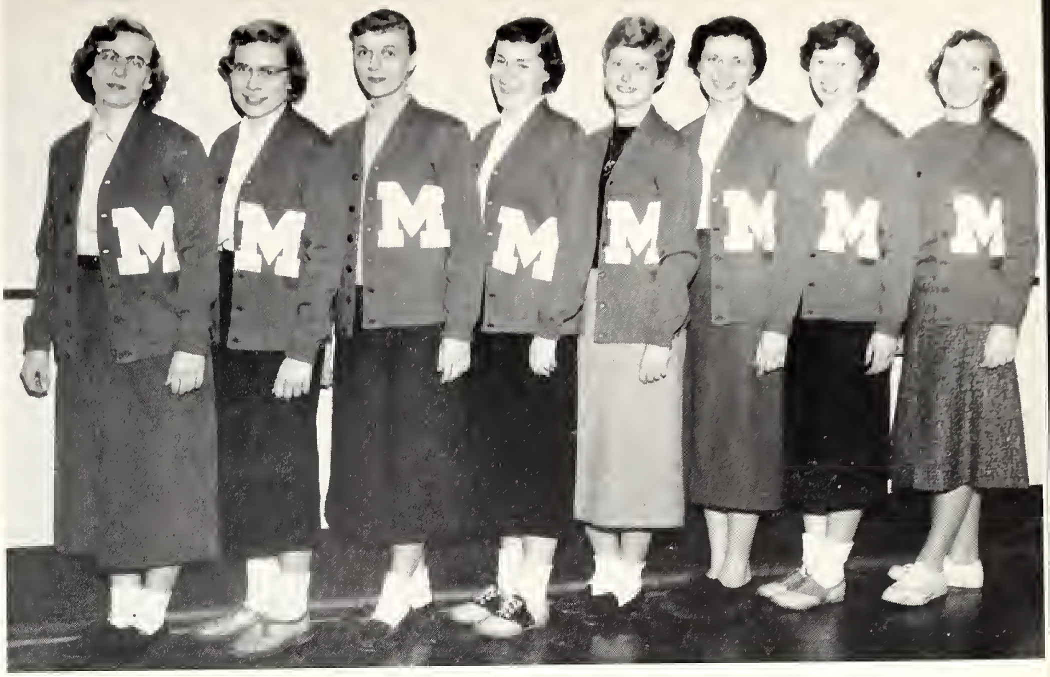
OFFICERS
L. McGee, W. Finley, K. Miller, D. Mullen.



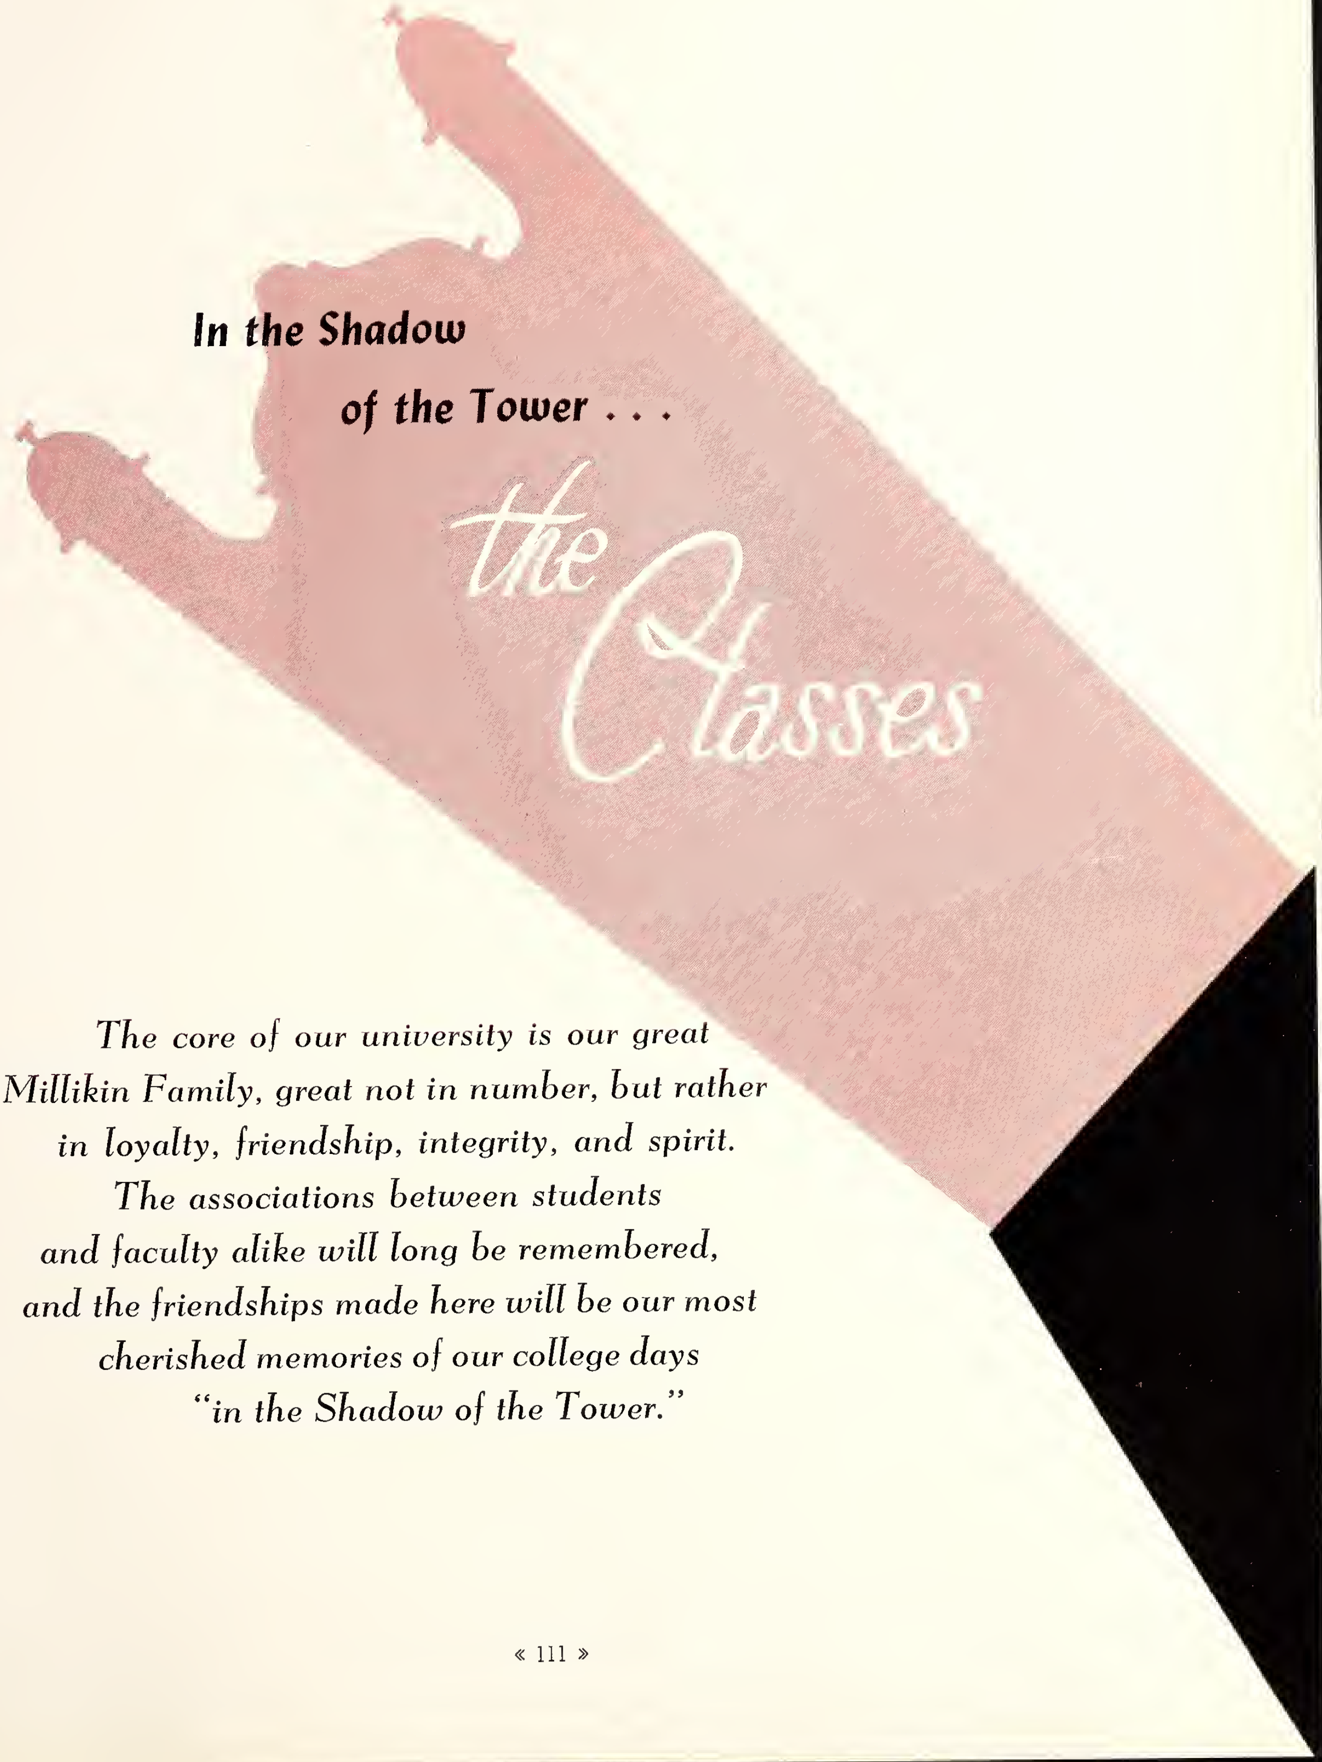
SENIOR SWEATER WINNERS

Ruby Smith, Jeanne Miller, Carolyn Johnson, Shirley Dietschy, Sally Durbin, Doris Stevenson, Merry Cole, Sallie Partridge.

Keen competition inspires all organizations to do their utmost to capture the intramural trophy.

W.A.A. sponsored the Annual Intercollegiate Tennis Tournament, Sports Day, and the fall picnic, and also sent delegates to the Athletic Federation of College Women Convention, and selected the Millikin Senior W.A.A. Girls.

Miss Dorothy J. McClure served as faculty adviser for W.A.A. Officers were president, Kem Miller; vice-president, Dorles Mullen; secretary, Willetta Finley; treasurer, Linda McGee.



In the Shadow of the Tower . . .

the Classes

The core of our university is our great Millikin Family, great not in number, but rather in loyalty, friendship, integrity, and spirit. The associations between students and faculty alike will long be remembered, and the friendships made here will be our most cherished memories of our college days "in the Shadow of the Tower."

Dr. J. Walter Malone, whose outstanding service to Millikin will never be forgotten. A truly great man, beloved by all those who come beneath "the Shadow of the Tower."

President J. Walter Malone

Dr. Malone took over his duties as President of Millikin University on January 1, 1946. He came to us after being Vice President of McCormick Theological Seminary and pastor of McKinley Memorial Church in Champaign. During the decade that he served as president, Dr. Malone worked toward the building of the Scovill Science Hall, the organization of the Millikin chapter of Phi Kappa Phi, and the introduction of Master's Degrees in both music and education. Also, through his efforts Millikin received gifts totaling $2,500,000. He resigned his duties as president on April 1, 1956. We're glad that he continues as our neighbor and friend.

DEAN C. L. MILLER

This past year, C. L. Miller has not only served as Dean of the University, but as Acting President since Dr. Malone's retirement. Dean Miller is an outstanding leader and educator, and many of the advancements of Millikin University can be attributed to his efforts. We are fortunate in having him as a friend and a teacher.

The Deans

DEAN FRANCES E. FALVEY

With each new year at Millikin, Dean Falvey becomes dearer to us as a friend, adviser, and teacher. Her constant interest in the students and her unending efforts toward better campus living make her one of the most admired persons at Millikin. As Director of Student Affairs, she is the coordinator of all student activities.

BYRON L. KERNS
Registrar

In addition to his duties as registrar, Mr. Kerns has served as Assistant Dean since Dr. Malone's retirement. His close contact with the students and faculty through teaching and administrative activities make him a familiar figure on our campus. His assistance and advice are highly regarded. Mr. Kerns is also director of our night school.

The Administration

R. WAYNE GILL
Business Manager

"Hank" Gill regulates the financial side of Millikin and is also a member of the Board of Managers. He's always willing to lend a helping hand and comes into contact with many students through committee work. Mr. Gill not only represents us well on our campus, but in such civic positions as President of the Park Board.

WALTER B. GRAY
Director of Admissions and Public Relations

Mr. Gray, as Director of Admissions and Public Relations, is in charge of admitting new students to the university. During the year he and his staff visit many high schools to encourage students to come to Millikin. We are proud to have him represent us in the field.

E. W. PLOENGES
Dean of Veterans

Dean Ploenges is a familiar friend to all of the Vets here at Millikin. He counsels the veterans and coordinates the veterans' affairs, such as the distribution of paychecks. In addition, Dean Ploenges teaches mathematics and arranges men's housing.

JAMES BLACK
Dean of Chapel

Jim Black was Dean of Chapel and Professor of Religion here at M.U. Greatly liked and always urbane, he was a brilliant teacher. Jim resigned his position in March. We wish him health and happiness.

NOW
it's my turn...

Now, it's my turn to earn my place in our community . . . in our country. Someone before me had his turn . . . someone built the schools I attended . . . someone subscribed to the hospital building fund . . . someone worked on the fund drives for church and charity . . . on Scout committees . . . on the thousand and one civic affairs that weave strength and character into this country of ours.

Someone . . . in fact, many . . . were good citizens before me.

Now, it's my turn to take up the responsibilities of citizenship. I know I will be a good citizen only if I make up my mind to be . . . that I will reap the rewards of good citizenship only if I invest in them . . . that I and millions like me will determine the kind of community and country we will live in. Strong communities mean a strong Nation.
